AMBASSADOR OF THE FUTURE MODEL UN

A conference dedicated to university students, taking place in New York City.

- **5000 Students**
- **04 April - 11 April, 2025**
- **University**
- **Location: New York City**

All newly graduated students, students regularly enrolled at international universities, or those who have obtained a degree, specialization course, or master's degree within the last sixty months (5 years) from the date of this notice are eligible to apply. The selected students will participate in the Delegate Program (**April 6-10, 2025**), which is part of the "Ambassador of the Future" training program – a comprehensive project lasting 7 nights and 8 days.

Students who participate in the project will study and discuss issues on the international political agenda by taking on the roles of ambassadors and diplomats. In these roles, the delegates engage in typical diplomatic activities: delivering speeches, drafting resolutions, negotiating with allies and adversaries, resolving conflicts, and learning to navigate the Committees by adopting United Nations (UN) rules of procedure.

The "UN Ambassador of the Future" model offers students a real training and educational experience, helping them cultivate excellent communication and decision-making skills. They learn to leverage the power of compromise, consensus, and international cooperation for effective negotiations by representing an assigned state within a specific committee.

The conference provides participants with the unique opportunity to fully embrace the mindset of a diplomat in an extraordinary setting: the United Nations General Assembly Hall in New York, where the world's most important leaders meet.

Note: The use of United Nations facilities is subject to availability and approval by the UN. The United Nations reserves its own priorities, which may understandably take precedence over ours. The only requirement for entry into the Delegate Program is proficiency in the English language. Read our reviews on Facebook to see what students who have participated in our training programs say about us.

Watch the video explaining what the "Ambassador of the Future" training program is, and don't miss this great opportunity to participate in one of the largest diplomatic simulation events in the world for high school students.

DELEGATE PROGRAM

From **April 4, 2025** to **April 11, 2025**, the **Ambassador of The Future MODEL UN Conference** (8 days in New York City) will take place.

NEW YORK Ambassador of The Future MODEL UN 2025 Training Program - Conference (reserved for university students). This program is organized by **Wsc Global Leaders Fzco** and covers both training and study travel services.

All university students, regularly enrolled or who have obtained a degree, specialization course, or master's degree within the last sixty months (5 years) from the date of this notice, are eligible to apply. The selected students will take part in the Delegate Program (April 6–10, 2025), part of the "Ambassador of the Future Model United Nations" training program, a project lasting 7 nights and 8 days. Eligible participants will receive accreditation to the conference and a title suitable for representing a country or a non-governmental organization (NGO) within a specific UN commission during the diplomatic simulation. Participants must attend all training course modules (led by UN project experts), take part in simulation activities as per the regulations of the organizing body, and submit their own Position Paper by the deadlines set by Wsc Global Leaders Fzco. The training course will be managed by Wsc Global Leaders Fzco via Zoom and will begin in early January 2025.

In cases of negligent behavior, such as failure to fully participate in the activities, Wsc Global Leaders Fzco reserves the right to withhold the certificate of participation in the training program. The preparation course for the program includes a total commitment of 100 hours, which consists of:

- 36 hours of live online teaching,**
- 20 hours of research and individual study,**
- 30 hours of project participation,**
- 14 hours of pre-simulations, conferences, and meetings.**

Total cost: €2,790 (TWO THOUSAND SEVEN HUNDRED NINETY DOLLARS).

Note: Airport taxes, agency expenses, and the Ambassador of The Future Model UN enrollment fee are not included. Payment must be made in installments, including a deposit, following the timeline and methods outlined under the section "Contributions to Plan."

In consideration of any international health emergency situations, the WSC Global Leaders Fzco Agency will reimburse all contributions paid related to the training program (whether deferred or paid in a single payment) to enrolled students in the event of cancellation of the training program due to force majeure (government lockdown decrees, pandemics, natural disasters, wars), exempting the enrolled student and their parents from any type of responsibility.

FREQUENT QUESTIONS

Some of the answers to the most frequently asked questions by students and parents. If you don't find the answer you're looking for, don't hesitate to contact us.

- 1. Ambassador of the Future Enrollment Fee (Registration for Annual Programs)**
- 2. General Conditions of the Delegate (Acceptance of the Services of the Selected Program)**

1. How to enroll in WSC programs?

Registration for the WSC Global Leaders Fzco "Ambassador of the Future" programs takes place via an Application Form. This can be sent to the email address selections@appform.ae or by filling out the App Form directly on the website: appform.modelun.ae.

Once the electronic registration request has been received, an interview with the international department will be scheduled via email. This interview is essential for obtaining eligibility for the training programs. WSC Global Leaders Fzco will communicate the outcome of the interview within 48 hours via the email address selections@modelun.ae.

In case of suitability and possible participation by the student, WSC Global Leaders Fzco will send the documentation to complete the participation in the Annual Programs (Ambassador of the Future Enrollment Fee) and the General Conditions of the Delegate for the use of the services linked to the selected training program.

- Ambassador of the Future Enrollment Fee (Enrollment in Annual Programs)
- General Conditions of the Delegate (Acceptance of the Services of the Selected Program)

2. What does the payment of the registration fee for the Annual Programs (Ambassador of the Future Enrollment Fee) cover?

By paying the Ambassador of the Future Enrollment Fee, the student will effectively be enrolled for an entire year in all programs developed by WSC Global Leaders Fzco, sharing the values and mission of the agency. This entitles the student to participate in all national and international events and seminars organized by WSC Global Leaders Fzco without completing further eligibility interviews. The student will be eligible to participate in all programs for a one-year period and can renew their membership annually. If not renewed, membership will automatically cancel after 12 months.

3. When can I have the interview?

Interviews can be conducted when enrollment in the program is in "Open Registration" mode, which can be found in the section of the selected training project. Interviews are carried out by the international department via Skype from 3 PM to 8 PM.

It is essential to have a Skype account. The interview can be conducted via a smartphone, tablet, or desktop/laptop PC with an integrated camera and microphone for proper conduct. The interview will last approximately 10 minutes.

4. What are the requirements?

The fundamental requirement is basic knowledge of the English language. The remainder of the interview will focus on the motivations that drive the candidate to participate in an international program, as well as any questions or doubts about the project.

5. Is the interview free?

The interview is free and does not imply any obligation to join the selected program; it serves a purely informational purpose. There are no fees or secretarial costs involved, and once eligibility has been obtained, the student will decide whether to join the selected training program.

6. What are the costs?

The costs of the program are detailed within the training projects in the NOTICE section. The Notice is the official document of the program where the costs, payment options, services, selection method, participation modes (Delegate or Guest Program), and the code of conduct are provided.

7. Where will the training course take place?

We have long abandoned traditional classrooms; thanks to new technologies, delegates can follow the training course live via an application managed by WSC Global Leaders Fzco. The course can be taken from home or abroad. Simply connect a smartphone, tablet, laptop, or desktop PC using a specific link that WSC will send to the student.

8. At the end of the simulation, will I receive a certificate?

On the last day of the simulation, all participants will receive a paper certificate of participation from WSC Global Leaders Fzco and the supporting bodies in partnership with the United Nations organization. In the following weeks, participants will receive a PDF certificate via email detailing the total number of training and work hours completed, which can be used for the assignment of training credits, if recognized by the university or higher institute the student belongs to.
